

SmartMount™

Pivot Wall Arm for LCD Screens For 10" to 22" LCD Screens

NEW DESIGN

Patent Pending

The SmartMount Pivot Wall Arm is ideal for applications that require easy side-to-side swivel and tilt. This single link arm extends out 7" and provides easy one-touch tilt for limitless viewing positions. Its anodized aluminum finish complements offices, conference rooms or any room in the home. For easy installation, this mount comes completely pre-assembled with all necessary mounting and screen attachment hardware.

- For 10" to 22" LCD screens
- Provides full side to side pivot at the wall plate
- Arm extends up to 7" from wall or folds flat to save space
